Storytelling in Life and Ministry!

Join us for the
Clergy and Spouse
Retreat at
Pipestem State Resort
Park Friday, March 27
through Sunday,
March 29 for a
weekend of
relaxation and
rejuvenation.

Professional storyteller and retreat leader Donna Marie Todd (daughter of WVa pastor Rev. Dr. Ross Evans) will be our retreat leader. Friday night we'll have a delightful story concert by Donna Marie and on Saturday morning we'll explore how story connects us, how to recover and honor life stories, and how to facilitate these story experiences to create deep community in the life of your church in a highly interactive and fun workshop. We'll end our retreat on Sunday with a worship service.

Make your room reservation with Pipestem: (304) 466-1800) and then call the District Office and let Martha know you're coming (304) 252-7985! We hope to see you there for a great weekend of fellowship!
